Use Blush:- You have a plain and pale skin tone and you need blush to add some shade in your looks, blush is your best friend, but I would say just apply a hint of shade and then blend it well to get a natural look, keep it natural, I would say soft peaches and even apricot are all great blush options for your skin tone and will look absolutely perfect for your skin.. Cool Shades For Eyes:- I love using beautiful bright red or maroon shades on pale skin, but actually you should not, pale skin look beautiful with cool tones, natural colors actually look great on pale skin including champagne, grays, soft pinks and even cool brown and grey hues, you can use them to get bright and beautiful looks.
